Concretta paneller dış mekan kullanımına uygundur. Hava koşullarına, nem, su ve ultraviyole ışınlarına karşı dayanıklıdır .

Function

Function

Concretta slabs made from concrete, are suitable not only for interiors. Covered with hydrophobic coating, they are resistant to weather conditions, and they are perfect for facades or fencings. An additional option is a possibility to order an anti-graffiti coating, what is of great significance in case of public utility buildings.

Funzione

Le piastre in calcestruzzo concretta sono ideali per essere utilizzate non sono negli interni. Essendo ricoperte con un rivestimento idrofugo, sono resistenti all'azione delle condizioni atmosferiche e possono essere utilizzate come facciata o elementi di recinzione. Inoltre, esiste la possibilità di ordinare un opzionale rivestimento antigraffiti, il che è di notevole rilevanza in caso di edifici di servizio pubblico.

Funktion

Die Betonplatten concretta bewähren sich nicht nur in Innenräumen. Nachdem sie mit wasserabweisender Schicht bedeckt werden, werden sie unempfindlich gegen Witterungsbedingungen und eignen sich ausgezeichnet als Gebäudefassaden oder Elemente einer Umzäunung. Zusätzlich kann man eine Anti-Graffiti-Schicht bestellen, was im Fall von öffentlichen Gebäuden von großer Bedeutung ist.

Funkcja

Płyty betonowe concretta sprawdzają się nie tylko we wnętrzach.
Po pokryciu powłoką hydrofobową są odporne na warunki atmosferyczne i znakomicie sprawdzają się jako elewacja budynków czy element ogrodzeń. Dodatkową opcją jest możliwość zamówienia powłoki antygraffiti, co ma duże znaczenie w przypadku budynków użyteczności publicznej.

Colours

Concrette plakaların renkleri ve dokuları mekanın atmosferine ve aydınlatmasına göre değişebilir .Bu broşürün çekimi sırasında kullanılan profesyonel foto malzemeleri renklerde hafif ton farkı yaratmış olabilir.

The colors and textures of Concrette slabs may differ depending on the atmospheric and luminary conditions. As a result of the above mentioned factors as well as several restrictions related to the printing process, colors in this brochure may differ from factual findings.

I colori e la finitura della superficie delle lastre concrette possono variare a causa delle condizioni climatiche e di illuminazione.
Per questi motivi come anche a causa dei limiti posti da processi tipografici, i colori riprodotti nel dépliant possono differire dall'originale.

Die Farben und die Oberflächenstruktur der concrette-Platten können sich je nach Witterungs und Lichtbedingungen voneinander unterscheiden. Aus den vorgenannten Gründen sowie wegen der Beschränkungen im Zusammenhang mit dem Druckprozess können die Farben in der Broschüre vom Ist-Stand abweichen.

Kolory i faktura płyt concrette mogą różnić się zależnie od warunków atmosferycznych i świetlnych. Z wyżej wymienionych przyczyn oraz z powodu ograniczeń związanych z procesem drukarskim, kolory w tej broszurze mogą różnić się od stanu rzeczywistego.
